FRANK C. BAKER FARMS

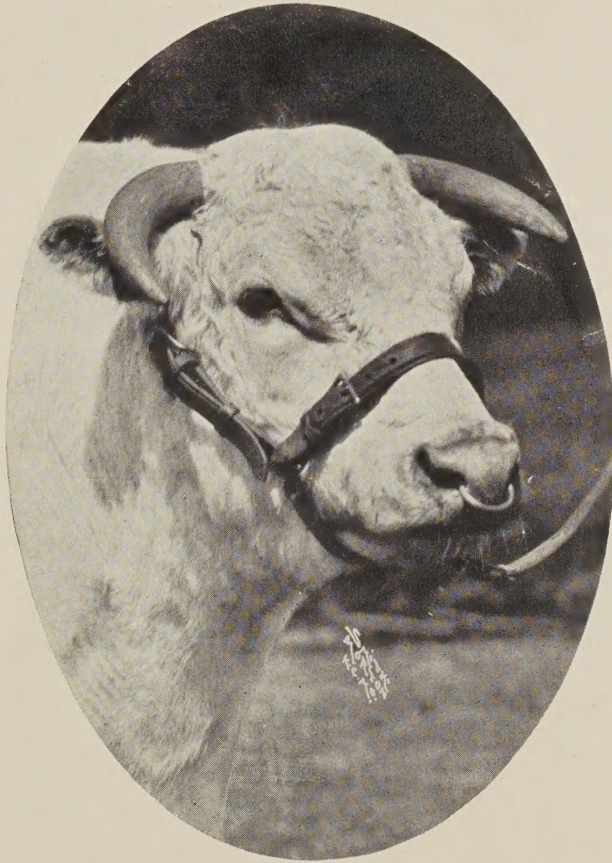

SECOND ANNUAL SALE
JUNE 2, 1926

HICKMAN MILLS, MISSOURI

The Shorthorns
of
Frank C. Baker Farms

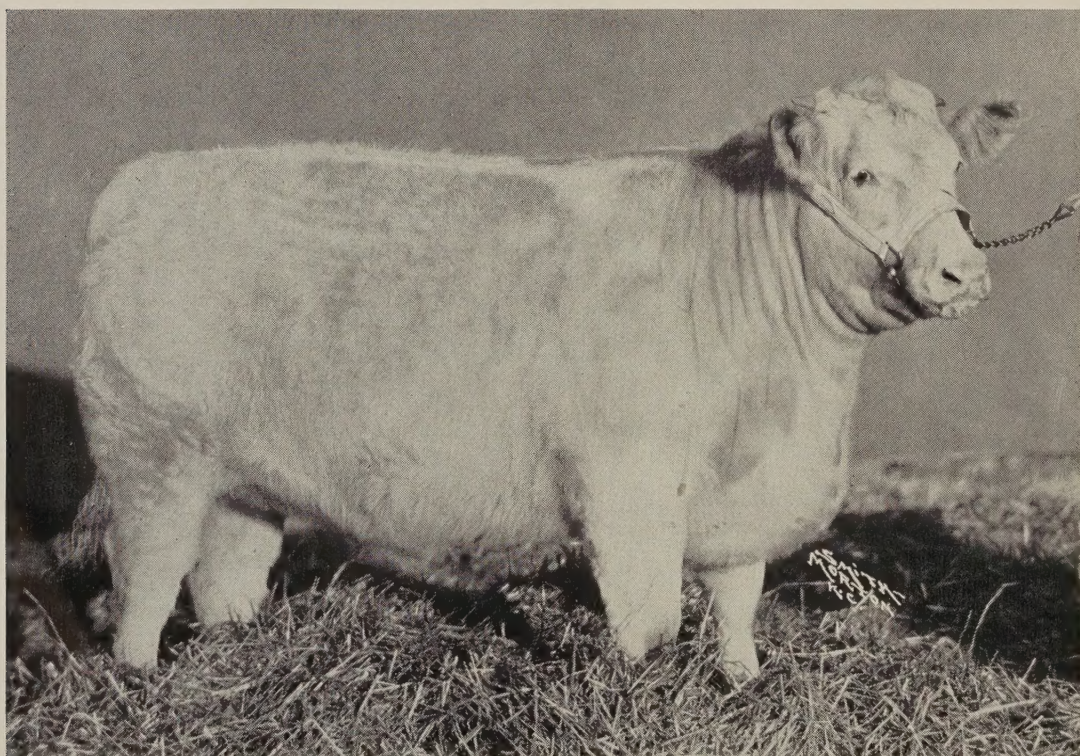

KING OF THE FAIRIES

A Prince of Wales Production

MERRY COMMANDER

Sired by Supreme Commander; was the Junior Champion and Reserve Grand Champion bull at the 1922 International. He was the highest-priced Shorthorn selling at auction that year.

LUSTRE LAVENDER

Sired by Supreme Commander; was the Champion calf at the American Royal, 1924, and winner of the W. R. Nelson Trophy. This is the first time that a heifer was ever awarded this coveted prize.

Announcement

Five years ago, almost to a day, the Frank C. Baker Farms purchased their first Shorthorns. A few of the choicest females in the sales of Carpenter & Ross, B. F. Hales, Thos. Wilson, and James Brown were acquired. Then came the purchase of that valuable herd of cattle which Fred C. Merry had assembled. Later there were other additions from sales at the International, Royal, Congress, Central and from Sni-A-Bar, Anoka Farms, Tomson Brothers, Buckland Hall, Bluemont Farms, Bellows Brothers and other leading herds. The most important single animal acquired was the Prince of Wales great herd sire, King of the Fairies, 1925 International Grand Champion and Grand Champion of the Canadian Royal. But second to none was the purchase of the nationally-known herd of John Alexander & Sons. The addition of this great herd of over sixty head, including Ballylin Rodney and Maxwalton Monarch, marks a fitting milestone in five years of herd building.

During these years of development the Frank C. Baker Farms have adhered strictly to their ideal to maintain a herd of breeding females of typical beef form, breed character, and fashionable pedigree, without sacrificing the useful qualities—size, vigor and milk production. The herd bulls have been selected to secure the best of breeding, type and quality. Great care has been taken in mating the females with the various herd bulls in order to produce calves possessing the better points of both the dam and sire. Calves from such matings which did not come up to requirements have been marketed for beef. This rigid policy, and an equally severe one in selecting additions to the herd, insured a firm foundation for future development.

This second annual offering will number 57 head, consisting of 14 bulls and 43 females. The sale of this large number of choice animals is made possible by the recent acquisition of the John Alexander & Sons herd. The sale will include the great herd and show bull, Maxwalton Monarch, twice International Grand Champion, and Masterkey, the famous red herd sire of the Frank C. Baker Farms. Many show heifers and show calves will be offered. There will also be 13 cows in calf to King of the Fairies, 5 cows in calf to Ballylin Rodney and 7 cows in calf to Lavender Crown.

This sale presents a great opportunity to the critical buyer, whether he be looking for a herd bull or a show beast, or whether he be among those who want to acquire the very best female breeding stock.

A cordial invitation to attend this sale is extended to all Shorthorn breeders.

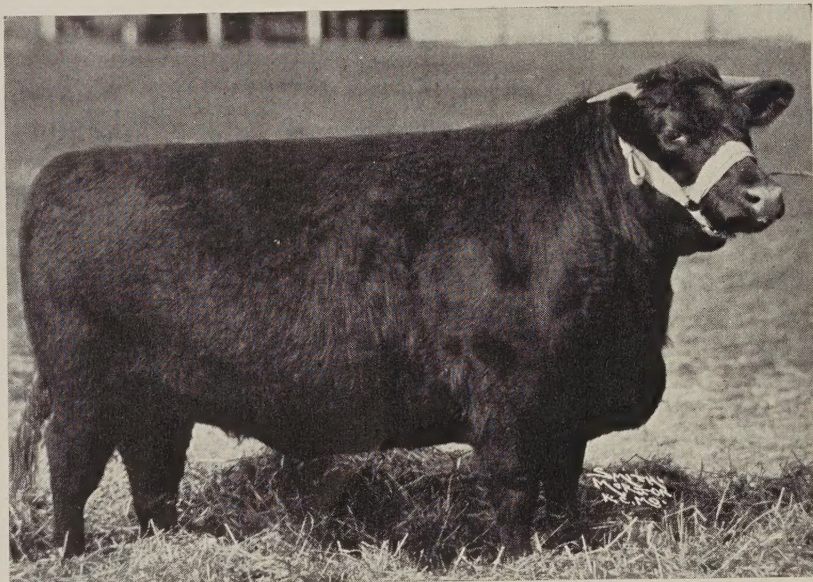

Arrange to attend this June Sale Circuit, wherein 150 head of Shorthorns of superior merit and breeding are offered:

"Shorthorns of Merit"

PRINCESS VICTORIA 3D

This heifer, sired by Masterkey, won five firsts, three seconds and one third on the 1925 Circuit. She was also a member of the Baker Farms yearling herd, consistent winners last year.

SUPREME ROSEBUD

This heifer was generally conceded to be the best heifer on the Show Circuit in years. She won ten firsts and nine junior championships, and was the champion heifer calf at the American Royal of 1925.

General Information

KING OF THE FAIRIES

The Frank C. Baker Farms feel very fortunate in having been able to acquire such a bull as King of the Fairies. In conformation, breed character and blood lines he has brought, not only to their herd but also to the United States, the right type and quality as well as the vigor and hardiness so much desired.

The head of King of the Fairies is splendid—of the proper proportions, strong and full of character. His neck is short and thick. He possesses a wonderfully smooth shoulder, a straight deep-covered top, a well-sprung rib and carries his width all the way back.

His deep, thick body stands on very short legs. He is one of the finest-fleshed animals that can be found—a soft skin with a silken coat of hair, which, when the weather permits, grows extremely long—in all the bull is natural, and embodies the ideal towards which Shorthorn breeders are working.

The show record of King of the Fairies is an enviable one. So valuable as a breeding bull, he only occasionally was taken to shows. In the year, 1925, he was entered at the following shows: Calgary, Edmonton, Saskatoon, Regina, Lethbridge, Canadian Royal at Toronto, Canada, and the Chicago International, and the following judges: Frank Harding, R. A. Wright, Robert Miller, Charles Yale, Professor Sackville and Robert Duncan, were unanimous in declaring King of the Fairies Senior and Grand Champion at the respective shows. Such a record at the hands of such famous judges from Canada, Scotland and the United States is conclusive proof that King of the Fairies is the greatest show bull in America today.

Following in the footsteps of their sire, the calves by King of the Fairies have been frequent winners on the show circuit, with many junior championships and first prizes to their credit. They are uniformly good, of the same type as their sire, and are a real credit to the breed. It is interesting to note that, while King of the Fairies is white, only two of some sixty of his calves are white. The reason for this is that most of his progenitors for at least several generations have been of dark colors—either reds or rich roans.

The pedigree of King of the Fairies is of the very best. The sire was Sherbourne King Christian, a grandson of King Christian of Denmark. Mr. David Annand, manager of the Prince of Wales Farms in England, writes that their herd is rich with the King Christian blood line and that they consider it the very best to cross with the Scottish Shorthorns. Christian King, their great show and herd bull, is of this line: An offer of £8000 for him was refused.

The dam of King of the Fairies was Sherbourne Fairy 4th, for which the Prince of Wales paid 1000 guineas. Mr. Annand states that she was probably the best cow they ever owned—"a most superb cow, a rich roan, carrying a great wealth of flesh on very short legs." This splendid cow was sired by President of the Mint—the low-set red bull who proved to be one of the greatest breeding bulls of recent times. The granddam of King of the Fairies was Sherbourne Fairy 2nd, a most famous show cow, being First and Champion Female at the Royal Show of England in both 1909 and 1910.

A show record of the very best—Grand Champion Bull of Canada and the United States—carrying the blood lines of the greatest Shorthorns in Scotland and England, there is every reason to believe that King of the Fairies offers to the Shorthorn Breeders in America a great opportunity for herd improvement.

BALLYLIN RODNEY

One of the main considerations which prompted the Frank C. Baker Farms to purchase the John Alexander & Sons herd was their desire to acquire the famous herd and show bull, Ballylin Rodney. This bull has not only attracted the attention of all American Shorthorn men but has also been the subject of most favorable comment at the hands of Argentine and Scottish breeders. In fact, one of the largest Shorthorn breeders in South America, after an extended tour of the United States, stated that Ballylin Rodney was the best bull he had seen. He was equally enthusiastic in looking over the calves by Ballylin Rodney and stated that they were the right type and color to top the best sales in the Argentines. Mr. Robert Duncan, from Scotland, judge at the last International, after seeing the calves by Ballylin Rodney, said they were the type which Shorthorn men the world over were trying to produce. He stated that he wanted to see the bull that was able to sire such outstanding calves.

Unfortunately, Ballylin Rodney has changed ownership several times since a calf, so that he has not had full opportunity to impress the American public with his real worth. In 1922 he won his class as a two-year-old at the American Royal without any special fitting; his calves in the same show winning both junior championships and first-prize get of sire and first-prize calf herd. After this show, Ballylin Rodney became the property of John Alexander & Sons—and neither he nor his get were shown until 1925, when he won his class and the senior championship at the American Royal. In the 1925 International he stood second in class to King of the Fairies, the Grand Champion of the show.

In conformation, Ballylin Rodney is clearly one of the outstanding bulls of today. He has a strong masculine head and neck. He is short of leg, remarkably straight in his lines, blocky, and of the thick-fleshed early maturing type. In the fall and winter he grows a beautiful coat of dark red color which is not only pleasing to the eye but indicative of his splendid quality.

Calves by Ballylin Rodney are uniformly of his type and color and possess that breedy appearance which promises that they will carry down the great qualities of their sire.

The Frank C. Baker Farms have in Ballylin Rodney the outstanding red bull of today and one of the greatest breeding bulls of recent times. The blood of Ballylin Rodney will be an improvement to any herd of Shorthorns.

ROAN VILLAGER was isred by Grandview Villager, who was by that great breeding bull, Village Beau, the best breeding son of Villager. He is of the Fancy of Ardmore family, which has produced as many good cattle as any family of Shorthorns. On the show circuit of 1925 Roan Villager won eight first prizes and seven junior championships. The Frank C. Baker Farms expect great things from this bull during the coming shows and feel that he has great promise as a breeding bull.

SUPREME COMMANDER

Last August during an excessive hot spell Supreme Commander died. It happened to occur during the Missouri State Fair, when his calves won first in get of sire and first in several other classes, including the heifer junior championship.

Supreme Commander was the son of the International Grand Champion, Village Supreme, out of Fair Beauty, a daughter of Fair Acres Sultan, one of the best breeding sons of Whitehall Sultan. Fair Beauty is recognized as the greatest bull-producing cow in America.

Calves by Supreme Commander have been most prominent on the show circuit. In the last four years his calves have won a total of sixty-two first prizes and thirty junior championships at the leading shows. Seven out of the last eight junior champions of the Missouri State Fair were sired by him. The champion calf of the 1924 American Royal and the champion calf of the 1925 American Royal were both among his calves. His get won the get of sire class at seven of the leading state and national shows last year. An analysis of the record of his calves in the showyard as given on page 13 of this catalogue will convince anyone of the prepotency of Supreme Commander as a breeding bull.

In the sale ring Supreme Commander has been equally prominent, his get topping Royal and International sales. In fact, one of his calves was the highest-priced Shorthorn selling at auction during the year 1922.

Consequently the death of Supreme Commander is indeed a serious loss to Shorthorns. Fortunately, the Frank C. Baker Farms will have in their sale a few more sons and daughters which will be able to carry on the great blood of this famous bull.

Show Record

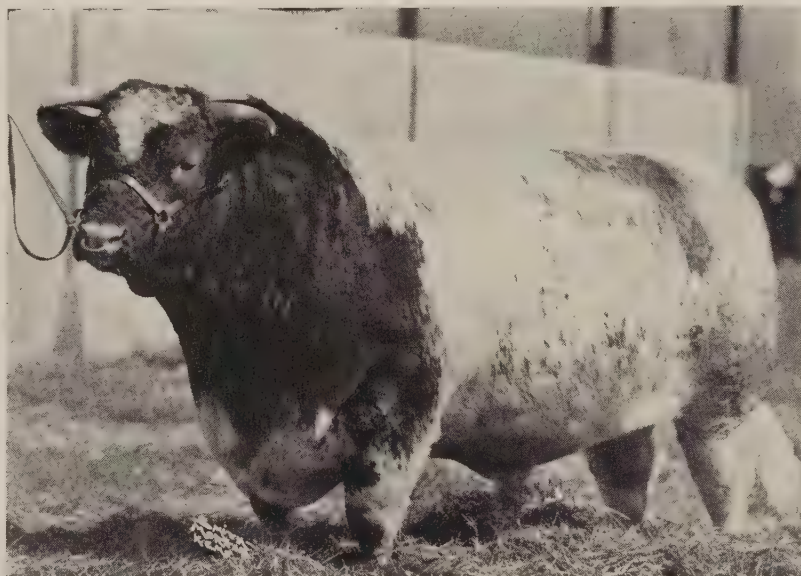

Each year for the past four years the Frank C. Baker Farms have sent out a show herd. At first they exhibited at nearby shows; each year extending their work until last season their herd was seen at eleven leading shows. Every time they went out they succeeded in capturing signal honors and prizes—an International Junior Champion, Champion Calf at the American Royal on two different occasions, three State Fair Grand Champions, an International Grand Champion being sold three weeks before the show, etc. Their repeated success at the Missouri State Fair is another strong indication of the worth of Baker Shorthorns. During the past four years the Frank C. Baker Farms have exhibited at this show seven out of the eight Junior Champions. The other honor, however, went to a calf which was sired by their herd bull, Supreme Commander.

Striking as these individual honors are, the real worth of Frank C. Baker Shorthorns and their real value to the breed is better measured by the results of their herd as a whole. On the 1925 show circuit a herd of ten head was sent out—eight of the ten being bred by Frank C. Baker Farms, the two exceptions being the aged cow and the junior yearling bull. This small show herd attended the eleven following shows: International, American Royal, Illinois State, Iowa State, Nebraska State, West Liberty, Kansas Free State, Tri-State, Oklahoma Free State, Kansas National and Missouri State Fairs. They succeeded in winning the following prizes in 1925:

1st Prizes	71
2nd "	45
3rd "	20
4th "	16
5th "	9
6th "	4
7th "	4
8th "	0

In addition to these, there were two grand championships, eight bull junior championships, nine heifer junior championships, and champion calf at the American Royal.

With such a record of winnings as this and with such a small show herd, mostly bred on their own farm, the Frank C. Baker Farms can well claim to be the leading breeders of Show Shorthorns in America for 1925.

Best of Goods—Sire, Choice Goods 186802 by Remus 151790, out of Geraldine 5th V46-450E. Dam, The Runaway Girl V53-590 by Collynie 135022, out of Rosedale Violet 9th V40-987.

MASTERKEY—Was a first-prize winner at Missouri, Iowa and Kansas Fairs, and a second-prize winner at the International, Royal, Indiana, Illinois, etc. Calves by Masterkey in 1925 won four Junior Championships and fourteen first prizes. It is with regret that the Frank C. Baker Farms offers this proven sire for sale. The herd is not large enough, since the acquisition of King of the Fairies and Ballylin Rodney, to warrant keeping him.

COMMANDER'S BEST stood at the head of Baker aged herd last year and also the winning get of Sire Class. He was never lower than third in the two-year-old class, defeating some of the most popular bulls on the Circuit. His dam produced Supreme Revelation, the Sire of Juno Girl, and other show cattle. She also produced the top bull in the 1921 Royal sale. This bull will make a great show as an aged bull this year. He is a sure breeder and his calves will prove that he is a good herd sire as well as a show bull.

COMMANDER'S KING stood second at the 1925 American Royal. This is one of the good sons of Supreme Commander. His dam is by Supreme Choice, one of the best bulls produced by Bellows & Sons. Supreme Choice was also the sire of the noted Supremacy, making the dam of Commander King a half-sister to this great show cow. Every calf she has produced has been a member of the Baker show herd. All of the bulls at the top of this pedigree, as well as those in the footnotes, have been outstanding individuals.

CONQUEROR is a show and breeding bull from a family noted for the production of the best type of Shorthorn. He won five first prizes on the 1925 State Fair Circuit. He was Junior Champion at Memphis. It is frequently said that the first five bulls determine the value of a pedigree. A study of the sires and the breeders in this one would place him close to the top.

ARDMORE'S VILLAGER is a full brother to Roan Villager, the outstanding Junior Yearling on last year's show circuit. He is also from the same family as the top female in the Baker 1925 sale. He is deeper-bodied and thicker-fleshed than his full brother was at his age. He should make a great herd bull as well as make someone a good show bull to head a yearling herd.

COMMANDER'S KNIGHT is a son of Supreme Commander and out of the best cow in the herd. This calf is by Brilliant Charmer, one of the best breeding bulls imported to the West. His full sister won a Junior Championship in 1922 and topped the Royal sale. He is a very straight, well-balanced, thickly-fleshed calf and was developed without the use of a nurse cow. He has every prospect of developing into a herd bull satisfactory to the most discriminating breeder.
